THAT'SO-FUJI PROFESSIONAL LINE

THAT'SO PROFESSIONAL TANNING

A fast and safe way to get a perfect tan without exposing yourself to UV rays. The That'so Face Compressor allows the operator to apply the product quickly and evenly, for natural looking dark skin on face, décolleté and body.

Top of line, ultra powerful turbine machine with top feeder for tanning solution. Best color payoff.

Dark 8% | Ultra Dark 10% | Extra Dark 14% | Dries Instantly | Instant Bronzer | Paraben Free | Anti-Aging | Long-Lasting Effect | Almond Scented |

Suggestions for use:

Do a full body exfoliation prior to tanning to remove any dead skin. Apply on freshly clean and dry skin free of any moisturizer, deodorant and sweat. Wear 100% cotton clothing after the tan to allow skin to breath.

Aftercare: Moisturize often with no alcohol products, body wash with no alcohol is recommended
